INT. YOUNG'S BEDROOM - NIGHT

Sneaker boxes stacked high.

Ring light still on.

Young lies across the bed laughing at his own feed.

He saves a thirst-trap selfie from LILYNX with the location tag still attached.

He zooms in.

Smirks.

Replies with a flame emoji and his own half-shirtless selfie.

Church's warning means nothing to him because Church is not in the room.

Young checks the comments under his latest post.

Young laughs at that too.
