SCENE: EXT. YOUNG'S HOOD - DAY

EXT. YOUNG'S HOOD - DAY

Young leans on his car with two neighborhood boys
pretending he don't feel the crosshairs.

One of them holds a phone with Hot Shot memorial posts
scrolling.

NEIGHBOR BOY

They saying somebody feeding names.

YOUNG WORLD

People say anything.

NEIGHBOR BOY

They also saying you next.

Young laughs too fast.

YOUNG WORLD

Then they better hurry.

A black car rolls by slow.

No tinted-window flourish.

Just slow enough to be rude.

Young watches it turn the corner.

His smile dies after the car is gone.
