INT. FEDERAL HOLDING - INTAKE - NIGHT

Fluorescent lights over concrete painted a color that gave up.

Church and the rest of the crew get marched in as one tired line of cuffs and anger.

An intake officer barks names nobody answers fast enough.

Hot Shot jerks against his cuffs.

HOT SHOT

Call my lawyer.

Call somebody important.

Y'all know who I am?

OFFICER

Unfortunately.

Keep moving.

Young tries to hide tears by acting mad.

Baby keeps throwing death stares at anybody in a badge.

A FEMALE OFFICER peels Baby out of the line.

FEMALE OFFICER

Female hold.

This way.

BABY WORLD

Where Young going?

FEMALE OFFICER

Not with you.

Baby looks back at Church once.

BABY WORLD

Peep game.

Jamal walks like he booked this himself.

Church takes everything in.

The camera.

The sign-in sheet.

22.
